PROFESSIONAL SUMMARY

Dedicated MERN and MEAN Stack Trainer with 3 years of experience in mentoring students and professionals in full-stack web development. Skilled at simplifying complex technical concepts and delivering structured, hands-on training programs in JavaScript, React.js, Angular, Node.js, Express.js, and MongoDB . Known for designing realtime projects, coding challenges, and interactive workshops that enhance learner engagement and ensure job readiness. Training the Full Stack developers for the Developement.

EDUCATION

Bachelor of Science (B.Sc.) in MPCs (Mathematics, Physics, Computer Science) Sardar Patel College, Hyderabad | 2020 – 2023 | CGPA: 8.16

PROFESSIONAL EXPERIENCE

MS Soft Technologies | Hyderabad

MERN and MEAN Stack Trainer (Mar 2023 – May 2024)

- Delivered in-depth training programs on React.js, covering core concepts such as JSX, Hooks, Context API, routing, and state management.
- Mentored fresh graduates and working professionals in building real-world React applications.
- Conducted coding sessions, assignments, and live project guidance to improve learners' practical understanding.
- Provided placement-oriented training with focus on interview preparation and industry use-cases.

FreeLancer

8 Months as a Freelancing React Trainer | (June 2024 – Febraury 2025)

- Bankura unnayani institute of engineering – West Bengal (MERN)
- Sardar Patel college – Hyderabad (React, Angular CLI – Frontend Framework)

PERENNATION COMPUTER SOLUTIONS Global Pvt Ltd

Bengaluru, Karnataka

MERN and MEAN Stack Trainer and Developer | May 2025 – September 2025

- Trained and mentored 100+ students and professionals in MERN stack technologies through classroom and online sessions.

- Designed structured curriculum and training materials covering HTML, CSS, JavaScript, React,Node.js, Express, MongoDB, REST APIs.

- Conducted hands-on workshops and guided learners to build real-world projects including e-commerce apps, chat applications, and career portals.

- Provided one-on-one mentorship to students for debugging, optimization, and career guidance.

- Collaborated with academic institutions and training centers to deliver industry-relevant training programs.

- Ensured learners gained job-ready skills by emphasizing coding best practices, version control (Git/GitHub), and project deployment.

FreeLancer

(September 2025 - Present)

- Sri Krishna College of Engineering and Technology – Coimbatore , Tamil Nadu (MERN).
- PES College of Engineering – Mandya , Karnataka(UI Developer – frontend Frameworks)(Infosys Foundation).
- DevLustro Technologies PVT LTD – Banglore , Karnataka (INERNS TRAINING) – (FULL STACK)(PROGRAMMING FUNDAMENTALS).

PROJECTS DEMONSTRATED IN TRAINING

YourDream – Career Guidance Platform (MERN Stack)

- Guided students in developing a career guidance platform with authentication, dashboards, and dynamic content rendering.
- Mentored teams in designing MongoDB schemas and integrating RESTful APIs.

E-Commerce Web App (MERN Stack)

- Supervised learners in creating a full-fledged e-commerce platform with product catalog, shopping cart, authentication, and payment integration.
- Focused on state management using React Context API/Redux and responsive UI design.

TECHNICAL SKILLS

Front-end: HTML5, CSS3, JavaScript (ES6+), React.js (Hooks, Context API), Bootstrap,

Responsive Web Design, React Native , Angular Cli

Back-end: Node.js, Express.js, REST API Development

Databases: MongoDB, PostgreSQL, NoSQL

Tools: Git, GitHub, VS Code,Cursor,STS

Additional: Microsoft Office Suite

SOFT SKILLS

- Teaching & Mentoring – Strong ability to guide students with step-by-step learning.
- Communication – Clear and engaging presentation of complex topics. 󰀀 Problem Solving – Helping learners debug and optimize applications.
- Curriculum Design – Creating structured and industry-relevant training programs.
- Team Collaboration – Coordinating with institutions and training groups.
- Adaptability – Handling diverse learners with varied technical backgrounds.

- Helping Students in completing the projects .
